***Buxton Lodge No. 115 A. F. & A. M Trestle Board
February, 2020***

Greetings from the East Brethren,

I want to thank all that attended our January meeting. It was a surreal moment in my Masonic career filled with nervousness and excitement. I'm so incredibly grateful for being part of such a warm welcoming lodge! I'm very excited to see how far we can take the *Bikes-for-Books* program this year. I'm also looking forward to a busy February. We have our visit to the Maine Veterans Home in Scarborough on Sunday February 2nd followed by our stated meeting on Monday.

We will also be hosting Masters and Wardens on February 25th. Bro Jason Tarr's wife will be providing the program for the evening about her journey with the Maine Med & Samaritans Purse organization to Kenya where she assisted with children surgeries.

My hope is that we will continue the "Buxton Gavel Dynasty" throughout 2020!!! If you haven't paid your M&W dues for 2020, or don't have an extra \$5 with you to pay for your annual dues, you won't be counted for our attendance award points. Buxton Lodge has kept the big gavel every month last year. Every attendance point is important, so come to the meeting on February 25. Bring your M&W dues card or pay your dues at the meeting so that we can keep the gravel here.

Fraternally yours,
Travis J. Lawrence
Master, Buxton Lodge

Brethren, if you have a child, grandchild, niece, nephew, stepchild, etc., who is senior at Bonny Eagle High School and plans to further their education this fall, encourage them to apply at the school guidance office for **Buxton Masonic Lodge \$500 scholarship**. First preference is given to a student who has a family member in the Masonic community including O.E.S., Rainbow or DeMolay. Therefore, be sure that students mention that they have family members in the Masonic family. The scholarship recipient is selected by the Bonny Eagle scholarship committee.

Brethren, we have nearly 140 members in our lodge and 100 of you receive your monthly trestle board via email saving the lodge over \$850 every year in postage, copy services and envelopes. If you are receiving this trestle board via U.S. postal mail but have an e-mail address and are willing to receive communications from Buxton Lodge via e-mail, **please** send an e-mail to **Buxton115@roadrunner.com** and the secretary will happily add you to our list. Our list of email addresses are not shared with others and are well guarded by third party internet security software.
