***Buxton Lodge No. 115 A. F. & A. M Trestle Board
March, 2020***

Greetings Brothers,

Hopefully everyone has survived the rigors of the season that we have been having recently. We are looking forward to an exciting March. Bro Jason Tarr has informed us that he has met with the Buxton Center School, and we will be expanding the Bikes-for-Books program to the pre-K students as well. We are all looking forward to some warmer weather as spring approaches in hopes that more Brothers will be able to attend Lodge and other Masonic Events.

Fraternally yours,
Travis J. Lawrence
Master, Buxton Lodge

Brethren, if you would like to receive e-mails from Grand Lodge informing you of Masonic activities in our district and throughout the State, Maine Masonic College class schedules, and other timely information from the Grand Master and the Grand Secretary's office, send an e-mail to your secretary (*buxton115@roadrunner.com*) and he'll add you to the Grand Lodge e-mail list. You can later unsubscribe anytime.

100 YEARS AGO: The annual meeting and election of officers in 1920 was held in January. The installation of officers was held jointly with the O.E.S. on January 10 with Wor. Bro. Millard Dearborn as the installing officer. Music was furnished by a quartet composed of Brothers Howard Davis, Wilbur Townsend, Ralph Bailey and William Rowe. The Treasurer reported that we had balance of \$475.53. Later that year, the Trustees reported that the present hall would be leased from the owner, Bro Frank Hargraves, for \$100 per year for five years.
