*Please notify the Secretary of mail & e-mail address changes.*

***Buxton Lodge No. 115 A. F. & A. M Trestle Board***  
***April, 2020***

Greetings Brothers,

I hope these words find all of you in good health and in good spirits. As most, if not everyone has heard the Grand Lodge of Maine has closed all Masonic Activities until further notice due to the growing number of Covid-19 cases. During this time of “social distancing” school and business closures and toilet paper shortages, I look to our craft for strength and wisdom. Masonry has survived countless turmoil's of life altering events over hundreds of years may it be wars, famine, or plagues. We too will persevere through this unusually dark time and eventually return light to our lodge. I'm confident that the Brethren of Buxton Lodge #115 will continue to look out for each other during this unprecedented time. I encourage the Brethren to pick up the phone and call other brothers, our widows and others that may be affected by current events as long as safety dictates.

Please stay safe and follow all state and local guidelines as directed from the CDC as well as those set forth from the Grand Lodge of Maine as these are NOT Masonic related events ..it's just the Masonic thing to do during such times.

On a brighter note, I've been in contact with our candidate for degrees and he is aware and understanding of the delay in his initiation. He is still very eager to join Masonry and we look forward to having him.

There are a few things still to be determined going forward, and we will work through them the best we can to until we can safely return to lodge. Grand lodge has provided some ideas for Bikes for Books. Bro Derrick Desjardins and I have talked about Past Masters night. One thing is for certain, Buxton Lodge still has the Gavel!!!

I wish you all good health and safety always.

Fraternally yours,  
*Travis J. Lawrence*  
Master, Buxton Lodge
