Buxton Lodge No. 115 A. F. & A. M Trestle Board
August 2020

Greetings Brethren,

I hope that everyone has been staying safe and healthy throughout the past few months. My hope is that our meeting, Tuesday, September 8, will bring light back into our sleepy little lodge. We still have a candidate in waiting that is still eager to join our Brotherhood, my thoughts are as soon as we get back to lodge either at our stated or a special we will start his degrees. I encourage all of us to continue with our brotherly Masonic duties and check in on our older brothers and widows that still may have difficulties getting out of the house during these darkest of days. In times like this we realize how much we sometimes take for granted the normalcy of everyday life. Nowadays things as simple as going to the grocery store can be very challenging, especially to anyone with compromising health conditions. I implore us all to keep in contact with each other. If you are aware of anyone in our Masonic family in need of help or assistance, especially in view of this COVID thing, please let me or the secretary know.

As of right now an official decision has not been made to have or not to have a summer gathering, and I apologize for that. Due to the varying levels of health and safety concerns which I understand from some of our Brothers as well as the Grand Lodge mandated restrictions still in place, it may be inconvenient to have a successful gathering. The health of our Brethren and their families is our number one priority. However, we do tentatively plan to hold our stated meeting in September. More information will be forthcoming as we approach that time.

Sadly, we have lost two brothers this summer--Bro. William P. Plummer and Bro. Donald Pinkham. Brother Steve Houser's garage was destroyed by fire after a lighting strike. Thankfully his house was saved and no one was injured.

For Brothers who may be interested in doing some traveling this month, Drummond Lodge will have their inspection on Thursday August 6th and Freedom Lodge will be inspected Wednesday, August 26. The meetings start at 7:30--no suppers. Check your OLP for other meetings.

I look forward to the future when we will meet back in our lodge and do the work the good Lord intended for us.

Thank you and God bless.

Fraternally yours,
Travis J. Lawrence
Master, Buxton Lodge
