 for more 18th district events.

Do you need a ride to lodge or don't like to drive at night??

Call any officer listed in this trestle board, and they will make arrangements for you to get to Lodge and home again.

Please notify the Secretary of mail & e-mail address changes.

Buxton Lodge No. 115 A. F. & A. M Trestle Board
October, 2020

Greetings Brothers,

I hope this trestle board finds you well. The month of October is going to be exciting! On the 5th we will be exemplifying the FC degree for Benjamin Lariviere as well as our annual inspection from Grand Lodge. The annual district meeting was held on Sept 22, however, with a limited capacity. The messages passed down from Grand Lodge were inspirational and informative. Some of the topics covered were planning for the future, social media etiquette--your words on a social media post can reflect all Masons. The most common topic was community outreach, and how we as individual Masons and as a lodge can better help and serve our communities. When we get involved with our community it shows the strength, beauty and dedication Masons have towards mankind and can open up a path for Men that are not Masons to want to join an organization that hold our values.

MW Thomas Pulkkinen, past Grand Master, may possibly attend our October 5 meeting. He will have with him copies of the new 156-page book, *Freemasonry in Maine*, for sale-- \$5. (Since early May, more than 1,300 books have been purchased.) He will also have the Maine Masonic 200th Anniversary Challenge Coin for \$10.

I look forward to seeing the Brethren in lodge on the 5th. Thank you and God Bless.

Fraternally yours,
Travis J. Lawrence
Master, Buxton Lodge

Final dues notices will soon be mailed. If you have not paid your 2020 dues before our annual meeting, December 7, you will be suspended from Masonry. If you have temporary financial problems, let the secretary know so that arrangements can be made to delay your payment and to avoid suspension.

Brethren, if you would like to receive e-mails from Grand Lodge informing you of Masonic activities in our district and throughout the State, Maine Masonic College class schedules, and other timely information from the Grand Master and the Grand Secretary's office, send an e-mail to the secretary at (buxton115@roadrunner.com) and he'll add you to the Grand Lodge list. You can later unsubscribe anytime.
