***November, 2020***

Greetings Brothers,

I want to thank all that attended Brother Ben Lariviere's Fellowcraft Degree at our October stated meeting. I'm very proud of the work our officers did that evening especially because it was during our annual inspection by Grand Lodge. Brother Richard Hawkes did a great job delivering the Winding Staircase lesson. I'm also extremely grateful for Brother Ben's patience throughout this year. We are looking forward to him doing his FC proficiency in open lodge on November 2. We followed Grand Lodge social distance & COVID guidelines and safely enjoyed a delicious pork chop dinner before the meeting. It was a great evening.

Since we have yet to receive a directive for performing the MM degree, we plan to have Past Masters night on November 2. Brother Derrick Desjardins will sit in the East that evening along with his suite of past masters, and conduct the FC degree after the business meeting.

If Grand Lodge soon gives approval for MM Degree work we will have a special meeting on November 16, and exemplify the Master Mason Degree. However, we are not holding our breath in anticipation--but stay tuned just in case--it may happen.

I apologize for the unconventional scheduling of November's meetings. Due to the COVID -19 circumstances this seems like the best way to proceed.

Brethren, at the recommendation of Brother Lloyd Bradbury, I would like to extend a warm invitation to all the members of Buxton Lodge to attend the Drummond Lodge stated meeting on November 5, and bring the *Traveling Trestle Board* back to Buxton Lodge where it originated! Five or more brothers would be greatly appreciated.

Fraternally yours,  
*Travis J. Lawrence*  
Master, Buxton Lodge
